

Planning is underway for the grade 7 camp experience on May 31st- June 2nd, 2010 at Camp Cedarwood. This camp experience is a reward for good behaviour and hard work during the grade 7 school year. As a part of eligibility for selection to go to camp, the following criteria will be used:

Criteria for having the opportunity to attend Grade 7 Camp

The interested student will have:

- Met all the requirements for forms and paperwork for application to camp. The deadline will be stated on the camp application form (to be sent out later this year).
- Completed all major assignments in all subject areas as of April 30th, 2010.
- Demonstrated positive and exemplary behaviour throughout the school year.

Any student who has received a suspension during the school year **may be ineligible for the trip. Each situation will be looked at on an individual basis.*

Please return the bottom portion signed to your grade 7 instructional teacher by Friday January 29th. This is not an official commitment to attend the camp. It is only to help us estimate numbers and to inform students of the opportunity criteria.

****IF YOU DO NOT RETURN THIS FORM, you will be ineligible to attend camp.**

More detailed information will be sent home next month.

Keep this top portion for your records.

A camp information meeting has been scheduled for Thursday, January 28th, 2010 from 6pm-7pm for parents and students to get a better idea of what camp is all about. The meeting is not mandatory, and is held on a drop in basis. If you have questions, this is a great opportunity for getting answers!
